Classic Selection

CABERNET SAUVIGNON MERLOT

WINE DESCRIPTION

A wine with intense red hues, well-structured and velvety smooth with generous flavours of dark berries and herbs and finish of with a spicy note.

VINEYARDS

The vineyards are found in a variation in meso-climates, exposed hills, and sheltered valleys, with soils from Granite, Sandstone soils and Alluvial soils. Grapes are picked from a selection of these different wards in the Western Cape.

WINEMAKING TECHNIQUES

The grapes were cold soaked for a day. After traditional skin fermentation, the wine underwent malolactic fermentation.

VINTAGE CONDITIONS

The 2022 season will be remembered for the initial cool weather conditions that made ripening very slow. Phenolic ripeness occurred later and that lead to longer maturation time in the vineyards, creating exciting wines that are full and complex.

FOOD PAIRING

Enjoy with steak, mutton bredie, hamburgers and pizza.
